

# Trinity Academy

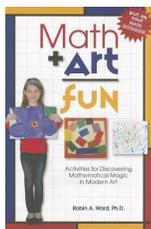

We are now offering special academic enrichment classes that are specifically designed for our Fun Four and Five Year olds!

## Science Fun—Mandi Hornsby Tuesdays 12:00-2:00pm

Calling all PreK 4 Science Explorers...to discover & learn basic scientific facts in a fun, age-appropriate environment. Through units such as dinosaurs & fossils, endangered animals, magnets, the solar system, gardening and much more... children will develop skills such as observing, measuring, predicting, classifying, and communicating.

## Math Goggles—Mrs. Dills Wednesday—12:00-2:00pm

This class is based on the book Math Goggles by local author Robin Ward who teaches us that math is everywhere including in art and literature, we just need to look for it. In this fun and creative enrichment, our Prek friends will explore the world around them looking for Math everywhere!

## POWER Hours - PreK teachers

### Thursday - 12:00-2:00pm

Play, Observe, Wonder, Extend, Reach

From 12-2pm your PreK 4 child will get an extra dose of Math, Science, Language, Fine Motor, and Gross Motor activities based on the daily themes and lessons introduced during their regular school day. This extra time with their PreK 4 classroom teacher will enhance their skills and guide them in their preparations for Kindergarten!

A minimum of five students must enroll for a class to be complete. No more than 8-12 students may enroll in any one class. Limits based on class.

Classes are by semester and will run the weeks of January 9 to May 5, 2023. There are **NO** classes 2/2, 2/3, 3/13 - 3/17, or 4/7. There are no make-up classes for days missed due to bad weather or other unforeseen circumstances. Those classes having a showcase will have them during the last class the week of May 1 - May 5, 2023.

## Explore & Create

**Music – Mrs. Blocker**  
**Tuesdays 12:00 – 1:00 pm**

Introduction to Music appreciation and traditional instruments is the focus of this class. We will use Xylophones, drums, and hand bells to practice rhythm patterns. Singing, music, and movement will make this class a beat above the rest!

**Bubbles & Blocks - Mrs. Wilson**  
**Tuesdays 12:00-1:00pm**

Like the big kids, toddler & two year olds can stay and practice their critical skills such as Interactive play, sharing, and taking turns while being exposed to the early math and language concepts that come from big motor play.

**Big Emotions, Small Bodies - Mrs. Lakey**  
**Wed. or Thurs. 12:00-1:00pm**

Come learn and play with your friends as we explore our emotions. We will have so much fun while we role play, play games, and enjoy puppet shows together. All while working on how to manage our big emotions. This class is designed with our Toddler, Two and Three year olds in mind, so come join the fun!

**Artist Exploration—Mrs. Sims**  
**Fridays 12:00-2:00pm**

Students will explore interesting and unusual art techniques while creating original works of art in this exciting class. Class time focuses on a famous artist and techniques as varied as dotting, scraping, rolling and spraying. Exploration of form, color, lines, shapes, and the use of various mediums and materials encourage the mind's creativity and imagination. **This class is for potty trained 3 yr olds & up only.**

## Stretch & Grow

**Cheer— Mrs. Blocker**  
**Wednesdays 12:00-2:00pm**

Your kids will love learning to cheer on their favorite teams and dance to their favorite songs in this tiny version of a "big kid" class. At the end of the semester the kids will show off all of their hard work at a short showcase performance. **MUST be Potty Trained.**

GO TES!

**Tumbling—Mrs. Blocker**  
**Thursdays 12:00-1:00pm**

Traditional tumbling, stretching, and large motor movement await your child from 12-1 on Thursday afternoons. A balance beam, tumble mat, games and songs make this class a perennial favorite of boys and girls alike.

**Uno, Dos, Tres...**  
**Spanish—Señora Pena**  
**Friday 12:00-2:00pm**

Through songs, games, art, activities, and stories, Spanish vocabulary such as colors, numbers, days of the week, months of the year, parts of the body, clothing, and household items will be emphasized in this fun class aimed at introducing Spanish in a fun and creative way.

How do you say...

## Mornings at TES

**Fine Motor Fun! - Julia Cleveland**  
**Tuesdays 8:00-9:00am**

Squeezing, finger digging for treasure, coin feeding, cutting, writing, and many other activities

will facilitate our fine motor fun. Muscle strengthening now... leads to less frustration later! **This class is open to children who will be 4 years old by December 31st.**

**Yoga with Yogi —Mrs. Blocker**  
**Fridays 8:00-9:00am**

**\$75 for a five class passport**

Let's get bendy with Yogi, go upside down and challenge our bodies in this energy releasing yoga class. Kids learn how to calm down and relax with basic breathing exercises and creative visualizations. We'll play games and take fabulous adventures to African savannas, Arabian deserts, and outer space. Self-expression is highly encouraged and laughter guaranteed as kids build strength, increase flexibility, and learn how to focus and concentrate. A five class yoga passport is good for any 1 hour Friday class.

**Drop-in Early Care is available**

**Monday - Thursday from 8am – 9am.**

**Stay & Play is available Monday - Friday from 12-2**

**Early Care, Stay & Play, & Yoga Punch Cards are billed as needed and stored in the school office.**
